

Many thanks to the folks at
Roaches Tavern for the excellent benefit
they put on to celebrate the memory of
Randy McIntyre.

On this day Randy was held in the
embrace of fellowship and love by the ones
who knew him best and will miss him the
most. Words and deeds cannot bring life
back, but they can sustain the memory
of life and in that assurance,
there exists a form of immortality.
We sincerely thank all those concerned.
His Mom and Bunny
