"Best" Sunflower Gala Huge Success

Raising over \$1300 for the Dr. Best Museum, the Sunflower Gala charity event held August 26 at Empty Pockets Ranch welcomed beautiful blue skies overlooking this meal set amongst the sunflowers.

The unforgettable feast used Dr. Best family recipes dating back to the 1800s. The recipes were adapted and catered by Rooster on the Run. The exquisite menu was proudly crafted using many locally grown ingredients. Appetizers included Dr. Best's brown bread, a light salad topped with locally produced goat cheese and included entrées of beef wellington, wood-fired quail, and creamy mushroom tagliatelle. The meal was served with Middleburgh Winery's St Pepin and Marechal Foch which were both delightful and delicious. A decadent Dr. Best's strawberry shortcake was served for dessert. "It was an absolutely wonderful evening! Great conversation. Met new friends. Dined sumptuously in a beautiful field of sunflowers," Angelique Piwinski shared.

"I cannot begin to tell you how moved we are to receive such support for the Dr. Best Museum. We received over \$3000 in donated food and talent from our Schoharie County business community which really made this event a successful showcase of the splendor and generosity of Schoharie County," said Bobbi Ryan, Director of Special Events and Outreach. "All the right people came together and made this a breathtaking event that raised sorely needed funds for the museum to repair the roof. We especially thank Lori and Josh Davis from Empty Pockets Ranch for donating all the proceeds from ticket sales to the Dr. Best Museum."

Houseplant Tip

It's important to watch houseplants closely. According to gardenguides.com, an online gardening resource, you should inspect plants regularly for yellowing or discolored leaves. This condition is usually caused by overwatering, but can also be the result of insects. Deformed plants and sticky deposits on leaves and stems can be caused by insects as well.
