

# **PET OF THE WEEK**

**Sugar** is a 4-5 year old female. She has been with us at the shelter for over 2 years now! She is affectionate on her own terms, but would rather keep to herself. She can be sassy when she wants to be left alone. She has been around cats before, but does not like cats that invade her space. She doesn't seem to mind dogs much.

**Diesel** is a 3-4 year old mix. He is very energetic and would do best in an active household. He knows his basic commands, but does need leash work and help with manners. He is very treat motivated and eager to learn! He needs to be in a household with no other animals. We have not seen him interact with kids yet.
