

We Wanted To Say Thank You

to the Multiple Community Fire Departments,
State Troopers, Otsego police officers,
community members, friends and family
who showed up to the Lusk Farm on
May 10th, 2020.

Because of your quick efforts the fire was
contained to the machinery barn and although
there was loss of tools, equipment, and
machinery...no one was injured.

We are so very thankful for everyone's
support, kindness and humbleness at this time.

~ We Are Very Grateful ~

Thank You

From The Entire Lusk Family
