

ANIMAL SHELTER OF SCHOHARIE VALLEY

PET OF THE WEEK

Angel is a 16 year old male. He was surrendered to us after his owner sadly passed away. This sweet boy is an absolute lap cat and loves attention. He is old, but he is still SO full of life! We think he would do best in a household with no animals or young children. Angel has very few teeth left, so he is on a mainly wet food diet.

Charlie Brown is a 8-9 year old male. He is shy at first, but warms up with patience. He came to us with a horrible wound on his face that the vet suspects was a burn. He was terrified of human touch, so we knew he had been through a horrible past. He is now goofy, loving, and looking for his forever home! We think he would be fine with mellow cats, but we have not seen him interact with dogs.
