**Schoharie County Office for the Aging

We are busy finalizing our plan to reopen! There will be new protocols in place to open up safely: Everyone will need to make appointments to come into the building and we expect you to have on your mask and use the hand sanitizer that will be provided as you enter our area. We will make sure to communicate more specifics as our plan is approved. Please be patient with us as we move forward in this new way to assist you with the same professional services that we have always provided. We are very excited to be able to see everyone in person!

Senior Day at the Sunshine Fair: What kept you sane during COVID 2020? We would love to hear your stories... Let's write our history! *"What did you do this Spring: Documentation of how you survived during COVID-19 Social Isolation."* Bring your stories or comments to add to our story for our families to remember for years to come. A county wide journal will be compiled for future generations to understand how we adjusted to the COVID-19 medical pandemic.

PLEASE REMAIN VERY CAUTIOUS DURING OUR COUNTYWIDE REOPENING.
