

*Looking for a rewarding job working
alongside the Oneonta School District
and the community's students?*

At Durham School Services
*we are preparing for an outstanding
startup for the next school year by
building a great team!*

WE OFFER:

- Up to \$20/hr.
- Take your children to work
- Free* CDL and endorsement training for those who want to start a driving career
- Benefit options
- Flexible, part time schedule
- Guaranteed hours

No experience is required, but experience is welcomed. We will train the right applicants to earn a CDL license, along with the required endorsements needed. Our training program is very comprehensive and holds a very high success rate. Safety is our first priority!

Whether you are already a professional driver, looking to break into the profession, need to supplement your income, or you need a schedule that can be flexible, look no further than Durham School Services!

**Please contact us to schedule your interview
