There will be strict guidelines of social distancing and wearing masks to attend these classes.

Classes will be held in the County Office Building. Please come to the front doors of the building where you will be allowed access to enter the building.

The ten week program, which prepares families for the rewards and challenges of parenting foster/adoptive children, will begin on Monday, August 17, 2020, 6-9 pm.

Applicants must have no child abuse histories.

We are looking for families to provide a safe, emotionally supportive home to a child who has had a difficult beginning in life.

The course is a requirement to become a certified foster and/or adoptive parent.
