### August News

Welcome Back SUNY Cobleskill Students!

Did you know that our actual web address is [www.ridescpt.com](http://www.ridescpt.com)? If you are using a different address, please update your bookmarked links to the new address. Our former web address is no longer active and has been compromised.

Attention Veterans! If you are using our Route 20 service to go to the Veteran's Administration Hospital we are asking for your assistance. We are asking veterans utilizing our service to try to make their VA appointments on Wednesdays. This will help us coordinate trips and conserve resources. We understand this is not always possible.

Although, our service is somewhat limited at this time due to social distancing requirements and the COVID-19 Pandemic, we expect to update our schedules in the coming days. Please check our website and Facebook page for the latest information.

Masks/face coverings continue to be required to board the bus and must remain on throughout the duration of your trip. Seating is limited due to social distancing. All vehicles are disinfected daily for your safety. For passenger use, disinfecting wipes are available at the entry door.

SCPT's Non-Emergency Medical Taxi service is operating. When calling Medical Answering Services, (855) 852-3290, to make appointments, remember to request Schoharie County Public Transportation as your transportation provider.

Please contact our office for additional information, 518-234-0952.  
Effective Monday, June 29th our office hours are 7:00 am to 3:00 pm.
