

I promised my Mom and Dad I'd always take care of them. The nursing facility helped me keep my promise.

We know how much you care about your loved ones. That's why our facilities have created a warm and loving atmosphere for the residents in our care. Our goal is to make our residents as comfortable as possible, enabling them to maintain their independence and recover whenever possible.

We are staffed by professionals - experts in their fields who utilize the most advanced therapies and technologies to offer the finest care. Staff members are licensed and certified and offer a team approach to caring

Our facilities offer a wide spectrum of services depending on your loved one's health care needs. Whether your loved one requires long-term care, short-term rehabilitation, adult home or retirement services, we are proud to serve the community and help older adults live better quality lives.

**Call or visit one of our
facilities today. We'll help
you keep your promise.**

Our facilities do not discriminate based on race, creed, color, national origin, handicap, age, sex, source of payment, marital status or sexual preference.

Contact any of these facilities regarding their participation in the Community Sharps Collection Program

Caring for Parents includes: Planning, advanced medical procedures, and choosing a health care proxy. Forms are available from any of the following health care facilities.
