

A Message from the Richfield Springs Community Center

Due to the COVID-19 pandemic the Annual Holiday Dinner and Auction, traditionally scheduled in December, has been canceled.

We truly appreciate and value the support you have given to us, and we patiently look forward to the future when we can resume our varied programs and fundraisers in the way we have been accustomed to.

In the meantime, if you are so inclined to support our fundraising efforts, it's not too late to either renew your current Zone Club membership with us or join as a new member.

Information can be accessed by going onto our website at www.richfieldspringscommunitycenter.org or by calling 315-858-3200

All the best for a happy and healthy holiday season!
