

PET OF THE WEEK

Giselle is a 2-3 year old female. She has been at the shelter for over a year now. She is very shy, but is affectionate on her own terms. She does not like being handled, and would do best in a household with no kids. We think she would thrive in a quiet house where she is the only animal. She chirps for attention and loves cat treats and cat nip!

Rufus is a 4 year old Feist mix. He is shy around new people and surroundings, so he needs a patient introduction when meeting people for the first time. He is a goofball when he warms up! Because of the nervousness, he would do best in a home with older kids. He is dog selective and will be tested with cats shortly.
