January News

Happy New Year from Schoharie County Public Transportation! We wish to thank our riders for their cooperation while we continue to operate during these challenging times.

Schoharie County Public Transportation will be closed on January 18th in observance of Martin Luther King Day.

Our office hours have changed and beginning January 4th, the office will be staffed until 5:00 pm Monday through Friday.

In case of inclement weather, please check TV channels 6 or 13 or the message board on our website www.ridescpt.com for announcements of closing or delays.

Masks/face coverings continue to be required to board the bus and must remain on throughout the duration of your trip. Seating is limited due to social distancing. All vehicles are disinfected daily for your safety. For passenger use, disinfecting wipes are available at the entry door.

Attention Veterans! If you are using our Route 20 service to go to the Veteran's Administration Hospital we are asking for your assistance. We are asking veterans utilizing our service to try to make their VA appointments on Wednesdays. This will help us coordinate trips and conserve resources. We understand this is not always possible.

SCPT is a provider of non-emergency medical transportation. If you are eligible for Medicaid Transportation, call MAS at **855-852-3290** to schedule your ride.
