

# Thank You

The background of the card is a light gray color with a decorative border on the right side. This border features a vertical arrangement of stylized flowers in various shades of gray and white, interspersed with white swirls, circles, and starburst patterns. The overall aesthetic is elegant and celebratory.

I want to thank everyone who made my 90th Birthday such a great celebration.

I received over 125 cards, many bouquets and the parade was unbelievable.

My day was complete with a ride in my wheelchair and being able to see all the outside.

**I Love You ALL!**

*Sincerely,*

*Beulah Waid*
