

The Family of Stuart Johnson

...would like to thank all of our family, friends and Dad's neighbors who were there when we needed assistance to care for our father and after his passing. A special thank you to dad's neighbors, Peggy Dungey and Brenda Ivans who gave so much of their time to make sure dad was comfortable and honor his wishes of passing at the family farm where he lived most of his life. The family is very appreciative of Tom Hosford who spoke at dad's graveside service along with everyone who shared stories & memories including all of the pallbearers who served in honor of our father. We are very grateful to Mike Wright and the staff at the R.J. Fahy Funeral Home for helping our family with all of the arrangements and their support for both our father and our mother's passing in the past few months. It has been a very difficult time for our family.
