

# Town of Richfield Republican Voters

This Tuesday, June 22nd, 6:00 am – 9:00 pm is voting for the Town Republican Primary.

My name is Tim Proctor. I am the current Highway Superintendent finishing my fourth year in office.

Previous to this I was a Town Highway employee for over 20 years. I have paved approximately 9 miles of roads in the town since taking office.

This was done at no taxpayer expense, being funded by the NY State Chips program. I have promoted an aggressive and timely snow removal program. I would appreciate your support in this year's primary. I have the full support of

Mike Kress, previous Highway Superintendent.

Thank you for your consideration and support.
