□ We are puzzled and concerned that although Dan Sullivan is on the primary ballot for town supervisor, he does not appear committed to Republican beliefs:

- He belonged to the Green Party, 2002–2005.
- He belonged to the Democrat Party, 2006–2014.
- In 2015, he tried to run against Keith McCarty on the Democrat Party line but failed to get enough signatures.
- He became a Republican in 2018.
