

Scoville-Meno

DEALERSHIP TECHNICIAN APPRENTICE

No Experience Necessary

Always had a desire to work on vehicles, but never given the opportunity?

Here it is! The ideal applicant will be self-motivated with a desire to learn and expand their knowledge of automotive repair. Our goal is to train, teach and give you the experience to advance your skills to a technician level within 2 years. Positive attitude and good work ethic required. Hands On Education with premier factory training and TOOLS provided!

Why work for Scoville-Meno?

- Family owned and operated
- Room for advancement
- NO Saturdays or Sundays
- Well-lighted work areas
- Loyal customer base based on our historic reputation
- Celebrating 39 years of success in the same location
