

*The Family of
Stuart & Deanna Johnson
would like to thank everyone who
attended the Celebration of Life at the
Preston Pryde Park on July 17th.*

A special thank you to the Preston Town Board for the dedication in naming the Deanna & Stuart Johnson Memorial Pavilion in their honor; Dave Crandall for cooking and donating the hot dogs and pork; Price Chopper & Kevin Struble for the donation of the rolls, water and soda; Audrey Johnson, Barb Tompkins and Joyce Blackman for making the cookies.

We also want to thank all of our family, friends and neighbors who helped with all of the preparations and picking up. We are so appreciative to everyone who have been there for us during such a difficult time with our losses.
