

Thank You

I will never be able to thank all the people that helped during Warren's illness, he was so special to everyone. When my kids or granddaughter Shannon couldn't get here,

Mike Connors, Tammy Lincourt and Karen Andela helped many a time. Warren loved his children so much and loved his grandchildren and great grandchildren immensely. I want to thank everyone who came to the calling hours and the funeral.

Another thank you to all the EMT's that came to the house to take Warren to Bassett Hospital several times. I can't remember all the doctors, nurses and aides that took care of Warren from August 27th – September 4th. They were wonderful to my husband and family.

Warren was my rock for 63 years, I will miss him very much and so will my children.
