### THE HONDA BRAND + THE SCOVILLE-MENO NAME = A WINNING CAREER OPPORTUNITY

We currently have an outstanding career opportunity for a service advisor at our very busy and successful Oneonta location. We are seeking a friendly and motivated individual with a positive attitude to fill this position.

Duties would include but not limited to answering the phone, scheduling appointments, dispatching work to technicians, and identifying and offering customers necessary vehicle service and maintenance. Related experience is preferred, but we will train a mature individual with the willingness to learn, someone who takes extreme pride in what they do and possess excellent communication skills. We are an ethical family owned and operated dealership group with a tenured group of dedicated and supported managers.
