

Transportation Assistant Director

The Duanesburg Central School District is seeking a Transportation Assistant Director. This position plays a major role in fleet maintenance, repairs & DOT inspections. They assist the Director in coordinating the fleet with drivers, maintain records, perform road condition checks, and coordinate with Principals regarding transportation related issues. In the absence of the Transportation Director, the Assistant Director is able to perform all of the above and has the ability to problem solve and communicate. Continued employment contingent upon being reachable on the civil service test. Candidates must have experience in automotive repair. Salary based on experience \$57,000 - \$62,000.

See www.duanesburg.org for detailed description.

Deadline: December 16, 2021
