

NOTICE

A vacancy exists in the
Schoharie County Health Department
in the position of

WEIGHTS & MEASURES INSPECTOR I (part-time)

2022 Starting Salary: \$23.26/hr. (CSEA grade 15)

A Weights & Measures Inspector I completes testing, weighing and measuring of equipment in the County to determine its accuracy in compliance with NYS Agricultural & Markets standards. Weights & Measures Inspector I works under general supervision of the Director of Public Health and has a fair degree of latitude and independence in performance of his/her duties, within the bounds of legal requirements and departmental policies. Does related work as required.

This will be a provisional appointment; permanent appointment will be contingent upon successful completion of a Civil Service examination and becoming reachable on the resulting eligible list.

Candidates interested in being considered for this position must submit an employment application to the Schoharie County Department of Personnel & Civil Service, 284 Main Street, PO Box 675, Schoharie, NY 12157, (e-mail: civilservice@co.schoharie.ny.us) by the close of business on
TUESDAY DECEMBER 14, 2021.

Applications may be obtained in the Personnel Office or online at:
www.schohariecounty-ny.gov

MINIMUM QUALIFICATIONS:

(A) Baccalaureate degree from a regionally accredited or New York State-registered college or university with a degree in, Agricultural Science, Biology and/or other Physical Sciences; OR

(B) An Associate's degree in the above listed fields and four (4) years of experience in the field of any of the degree fields above; AND satisfactory completion of 24 semester credit hours in the physical sciences*, engineering sciences, electronics sciences**, mechanical technology and/or mathematics*** from a regionally accredited or New York State registered college or university.

NOTE: Part-time employment can be pro-rated to count towards fulltime based upon hours worked and a higher level of education can be pro-rated for experience up to a year.

SPECIAL REQUIREMENT:

This class requires extensive travel. Incumbents will be required to possess a valid, appropriate level, New York State operator's license, or otherwise demonstrate the ability to meet the travel needs of the job; AND incumbent must remain current with any Continuing Education training for Weights & Measures.

*Physical sciences include chemistry (inorganic chemistry, organic chemistry, and biochemistry), earth sciences (meteorology, astronomy, geology) and physics.**Electronic sciences do not include coursework in electricity; electricity is a science that deals with the laws of electricity, while electronics is a branch of physics that deals with the emission, behavior and effects of electrons (in tubes and transistors) and with electronic devices.***Mathematics includes coursework in accounting, economics, etc., provided primary focus of the course is manipulation of numbers.
