

ATTENTION GUILFORD RESIDENTS

**Monday Dec 13th is an important
day to exercise your rights.**

We are asking you to vote **NO** to enable the town of Guilford to **OPT IN** for retail sales of cannabis products in the town of Guilford. This is not a vote for the legalization of cannabis, this is a vote to keep our towns dollars and tax dollars in our community rather than losing them to bordering communities that have already chosen to **OPT IN**.

Please vote **NO** on Dec 13th to **OPT IN** to provide the opportunities for employment and new small businesses that our town needs.
