CLEANER POSITIONS!

Are you looking to make some extra money on the side - or maybe you're looking to get your foot in the door for a full-time position with health benefits and a state retirement plan? This could be your chance!

The Duanesburg Central School District is looking for full or part-time custodial workers, with an emphasis on covering the second shift (2:30-11:00 p.m.). For the right person, there is potential to earn additional hours on a will call basis, covering for vacations and sick leaves. Responsibilities include basic cleaning and building sanitation. The ability to work well with others and solo are a plus!

If you're looking for a part-time second job, please know that the District will be flexible and work around your other commitments. This could also be the perfect part-time position for a retired person looking to stay active or a part-time position for a current student (ages 16+) looking to earn some extra money.

Being reliable, consistent and having a good work ethic are all qualities that are rewarded at DCS. This is a great opportunity to join the Duanesburg Central School District and potentially start your path to a long and fulfilling career with health benefits, vacation time and retirement.
