

# Thank you!

## ***TO ALL OUR CUSTOMERS, FRIENDS AND STAFF....***

*After nearly 40 years at the helm, the Thompson Family announces  
The Ontario Hotel will be under new ownership beginning May 24, 2022.*

“With much gratitude to our customers who have become dear friends over the years in our homey atmosphere, we are now ready to pass the legacy of the Ontario on to Reyes & Catalina Torres Dominguez,” said Ontario owner Cynthia Thompson. “The Ontario has been with us through so much of my life, including seven grandchildren and three great-grandchildren, and it has touched all of our lives as we’ve made countless, cherished memories here. Things will remain quite the same with the staff and I know our wonderful community will welcome Ray’s Kitchen Inn - full of lots of Ontario Flavor - with open arms. I cannot thank the community enough for their support over the years, and most of all, their friendship.”

*The Ontario entered Thompson ownership in 1983 after it was purchased by Jim Thompson. It was a family business right from the start, with Dick and Alice Thompson, as well as Tim and Cathie Thompson all lending a hand to help with the restaurant. In 1998, Jim sold The Ontario to Cynthia Thompson, who has maintained the ownership and welcoming environment ever since.*

The Thompsons are happy to introduce the new owners of Ray’s Kitchen Inn: Reyes & Catalina Torres Dominguez.

*The success and many memories over the years at The Ontario would not have been possible if it weren’t for the many dedicated and talented people who were there for the ride. While we can’t thank them all, we want to extend our deep gratitude to Timmy, Joni, Darleen, Peggie, Rosie, Doc, Brian, Jesse, Alisha, and all of our staff and customers who made the Ontario the homey haven it is.*
