

PET OF THE WEEK

Belle is a 5 year old Border collie. She is good with people and has lived with kids. It is noted she has lived around cats, but she has shown aggression to small animals here with us, so we think a home with no small animals/cats would be best. She has not been around dogs in her previous home. She is a really sweet girl and loves water!

Maui is a 1-2 year old female. She is super shy at first, but warms up with patience. She usually keeps to herself unless she wants some attention! She is good with cats, and has not been around dogs. She is not a lap cat, and is not fond of being handled when it's not on her terms.
