

Schoharie County Rural Preservation Corporation is actively seeking qualified GENERAL CONTRACTORS

to work with our Home Repair Programs. Grants provided will be used to perform work which prolongs the useful life of the home or to correct basic structural defects or to repair basic building systems which threaten, or if not corrected or repaired could threaten, the health and safety of the dwelling's resident.

Minority, women-owned Business and Section 3 contractors are encouraged to participate. If you are interested in becoming a contractor for our home repair grant program, please contact our agency.

Please call (518) 234.7604 or email djscrpc@nycap.rr.com for more information.
