

The Sidney Memorial Public Library will be closing the Sidney Center Branch Library effective 8/31/22

After thoughtful consideration, the Sidney Memorial Public Library will be permanently closing the Sidney Center Branch Library effective 8/31/22. Due to the continuing decline in patron usage and the overwhelming increase in costs to continue renting and maintaining the location of the Sidney Center Branch, the Library Director and the Library Board of Trustees made the difficult decision to discontinue services in Sidney Center and shift those materials and services to the Masonville Branch Library.

We apologize to our Sidney Center patrons and hope that you will visit us at the main branch at 8 River Street in Sidney or at the Masonville Branch located at 15565 State Highway 8 in Masonville. ➡
