

COME TO STONE HILL BLUEBERRY FARM
*and pick some delicious organic blueberries on the
south-sloping farm with 2500 blueberry bushes!*

Early, midseason, and late varieties of blueberries are available. The bushes are fertilized with soybean meal, mulched with sawdust, and rows are mowed weekly. Our farm has a small playground for children, a campsite, and private sheds to live and enjoy.

We give a special discount to our senior citizens out of respect and love.

**We are open for blueberry picking every Friday, Saturday and
Sunday, 9 am - 7 pm and Mondays, 10 am - 6 pm !**

**You could book camping on the following email:
mamagharny@gmail.com. Check out our website:
