

**The Richfield Springs Food Pantry thanks and congratulates Mrs. Polly Renckens for her six years of devoted service to the Richfield Springs Food Pantry and its mission of ensuring that all members of our community have access to nutritious food.**

The Richfield Springs Food Pantry has made great strides since Polly Renckens began her leadership role with her husband Jim in 2017. During the time of Mrs. Renckens' service, the organization has expanded its reach from serving 100 households in 2017 to over 200 households in 2022. Mrs.

Renckens had a central role in helping the pantry obtain a grant to purchase additional food and increase service to those in need from twice a month to a weekly basis. Her other responsibilities have included managing the volunteer schedule, ordering food deliveries, and serving as Vice President of the Board of Advisors. The Richfield Springs Food Pantry's volunteers and board members are grateful for Mrs. Renckens' friendship and celebrate her numerous years of commitment to our local community.
