NEW SHOP....

We are a local shop located at 81 Canal St. Fort Plain NY.

We support local Artisans with handcrafted items only.

There's so much beauty, uniqueness, and creativity in our area that it needs to be shared with everyone.

We carry many great gifts for men, woman, and children; as well as plan many different kinds of events.

Such as crafts for kids and adults but also Craft Shows with activities.

Follow us on Facebook to get all updates.

We are always looking for more Artisans to join us on this journey as well.
