

PET OF THE WEEK

Callie is a 3 year old female. She is shy at first but an absolute sweet heart once she warms up. She is a very mellow, laid back cat. She will need a home without cats, and has not been around dogs. We think she would be ok with older kids that respect her space.

Frazier is a 15 year old Jack Russell. He is a sassy old man set in his ways. He would do best in a quiet home without kids or other animals. He is very sweet when on his own terms, and will bond to people with time.
