Any obstructions located in the Town of Roseboom's right-of-way may hinder the ability of snow removal and storage. In an attempt to clear roads, the drivers try to be careful not to damage any obstruction in the right-of-way, however, that is not always possible. Any damage to mail boxes, fences or landscaping caused when the highway department is maintaining the roads during winter months, will not be repaired or replaced by the Town. Repairs/replacements will be at the owner's expense.
