The first time they laid you in my arms,
you were so small and precious,
the perfect gift from above,
and in an instant I fell in love.

From a girl to a woman, I would watch
you grow, it was the perfect plan, you know.

But I didn't realize just how it would happen so fast.
I just wish that I could go back and relive the past.

For the plan I once had would no longer be.
When God called you home I felt so all alone.

The day we had to part left a big gaping hole in my heart.

Now every day I wake and cry, for I never had the chance to
say goodbye.

Then I think of your laugh and smile, and know I will see it
again in just a short while.

I often speak your name... now all I have are memories
and your picture in a frame.

Your memory is my keepsake, with which we'll never part.
God has you in his keeping, I have you in my heart.

I will miss you and think of you with love,
and know that you are with our loved ones.

We love and miss you Sheena
