

# EARTH DAY CELEBRATION AT ROGERS CENTER

**Sat., April 20<sup>th</sup> • 11 am - 3 pm**

This year the theme is “Getting to Know Your Wild Neighbors.” Friends of Rogers is bringing in experts and enthusiasts to share their best identification and observation tips for learning about our native plants and wildlife.

The secondary theme for the event is “How to Live a Greener Life in CNY.” They are bringing in experts in renewable energy, home heating/cooling systems, and invasive plant management to answer your questions about how to make your home and property more environmentally friendly.

This Earth Day Celebration also debuts the Friends of Rogers Artist in Residence program with the first art show featuring Edmond Caputo.

Excite. Inspire. Motivate.
