## Charles “Chuck” Furner

Republican Candidate  
Town of Richfield Councilman

My qualifications will be an asset to the current Town Board—a voice for the Village of Richfield Springs as well as the Town of Richfield residents:

**Business experience:** I started and ran three successful Richfield Springs businesses: *Chuck’s Towing and Collision Service (50 years)*, *Richfield Storage* and also *Richfield Springs Land Venture* selling property to, as well as being instrumental in, eventually bringing *Price Chopper* to Richfield Springs.

**Committed and involved:** I have been a resident and taxpayer of Richfield Springs since 1976, a life member and past Fire Chief of the Fire Department, former member of the Otsego County Highway Superintendent’s Association and currently a member of the NY Forward local Planning Committee.

Making my home here, being married for 47 years, as well as having a son and his family living locally, as well, are all driving forces for me to want our Village and Town to move forward. I vow to be your voice!

**I would appreciate your vote
