

# NOW HIRING FOR 3 POSITIONS

## FOREMAN/SUPERINTENDENT

*Salary: \$90,000- \$115,000*

This position is responsible for overseeing and coordinating all of the activities of a construction site according to project blueprints and schedule plans. Their duties include coordinating subcontractors, performing quality control and safety checks and providing on-site direction when preparing construction sites.

## PROJECT MANAGER

*Full Time Construction Project Manager - Salary: \$ 90,000-\$115,000+*

This position includes completing the project successfully, executing and communicating to all necessary contacts while providing a smooth efficient service that meets the expectations and needs of our clients. This will be our client representative and is responsible for determining and implementing the exact needs of the client while managing constraints of the project, which are cost, time, scope, and quality. Managing internal systems such as, quality control, production, and a three-week look ahead to proactively coordinate and identify potential issues while maintaining a safety-first culture.

## CONTROLLER

*(Commercial Construction) Salary: \$100,000-\$120,000*

The ideal candidate is driven and task oriented to assist in overseeing daily accounting activities. Must be an excellent communicator and approachable. The position will be responsible for managing, reviewing and overseeing the accounting and reporting for multiple entities and report directly to the company Owner. The Controller will oversee the general ledger, accounts payable and accounts receivable. Must be a detailed and precise individual with the ability to maintain and support our reporting deadlines. Qualified candidate will have a bachelor's in accounting and 5+ years progressive experience in the construction industry.
