

# **ATTENTION RICHFIELD VOTERS - WHY VOTE FOR DAN SULLIVAN?**

Dan Sullivan has been the driving force behind many of the positive initiatives Richfield is currently enjoying. He was part of the team that wrote the Comprehensive Plan and new Zoning. As a result, we are experiencing new growth and prosperity!

**Business Park - \$4.5 million grant written by Dan Sullivan**

**Bakers Beach Revitalization - New Home and Business Investments**

**Youth Sports Complex - Recent announcement of a Senior Housing Project**

These and future investments will GROW our tax base, helping to keep taxes down! The business park will bring much needed jobs. As councilman, Dan would have the needed networking to continue his successful grant writing. Million-dollar Housing Program Grants could give relief to those in need of maintaining their homes. If elected, Dan promises to continue using his knowledge, experience, and grant writing skills to work on the goals in the Comprehensive plan, such as shopping, recreation, restaurants, safety, and housing.
