

Shop Local

**Shop Downtown Norwich
on Saturday, November 30th -
Small Business Saturday**

Come downtown and see the Holiday decor!
Once again the Norwich BID is hosting a decorating
contest among the businesses in the BID district...
who did the best job decorating?

Now more than ever it's so
important to support our
local businesses that invest
in our community.

Buying local keeps
FOUR TIMES the money
in our local economy
compared to shopping
at chains.
