Sept. 15, 1981 - June 23, 2020

*Alicia,
Five years have come and
gone and we still think you
will walk through the door. The holes
in our hearts have not gotten smaller.*

*How we wish you were here for all of Peyton's
firsts..turning 13 would be one, but God's plan for
you is and will be beyond our understanding.
Fly high our angel. We will always miss you.*

ALL OUR LOVE ALWAYS,
—Your loving family
