

PRIMARY ELECTION ON 6/24/25

AFTON TOWN COUNCIL SEAT

I am Earl Wayne Colley. I am seeking election to the Town of Afton council. My reason for running for this seat is to ensure that the residents well being will be the Board's top priority. I am a NYC/NYS licensed engineering contractor and retired after 28 years of service. I was the co-president of the Central NY Landowners Coalition. Please vote for leadership and to "protect our way of life".

Vote Colley and Wicks!

My name is Jason Wicks and I'm running for Afton Town Council. I've lived in Afton with my wife and 4 children for several years. You may know me from my music career around Central New York and beyond, or from the Afton fair where I took over as President last year. I look forward to bringing that hard work and knowledge to the town, the same way I have the fairgrounds. I want to see the town thrive again with fresh ideas and enthusiasm to make Afton a better place to raise our families.

I sincerely look forward to your support!

Vote Wicks and Colley!
