SEWARD, NY - The Town of Seward is excited to announce the launch of its Farmers & Artesian Market, a vibrant new event bringing together local growers, makers, and musicians in a celebration of community and craftsmanship.

The market will take place every other Wednesday from 4:00 PM to 8:00 PM, starting July 2nd through October 22nd, at 5765 State Route 10

(corner of Lowe Rd. and State Route 10).

2025 Market Dates: July 2, 16, 30

• August 13, 27 • September 10, 24 • October 8, 22

Shoppers can look forward to farm-fresh produce, unique artisanal products, and the welcoming charm of a hometown gathering. With a low vendor fee of just \$10.00, this is an ideal opportunity for farmers, crafters, and creators to share their work with the community.

Local musicians are invited to fill the air with live music at each event. Volunteers are also needed to help with parking, registration, and general support - an excellent way to get involved and connect with neighbors.

Whether you're a vendor, performer, or market-goer, the Town of Seward invites you to be part of this exciting new tradition.
