

Upstate University Hospital's Mammography Van to visit Madison County Rural Health Council in Cazenovia on October 16th

Upstate University Hospital's Mammography Van will visit the Madison County Rural Health Council at 2662 State Route 2 E, Unit 1, in Cazenovia on Thursday, October 16, 2025. The screenings will be available between 10:00 a.m. and 4:00 p.m. Transportation may be available for those needing a ride to their mammogram please ask when scheduling.

To schedule an appointment for a mammogram with the van, women should call 315-464-2588.

Appointments can also be requested online at www.upstate.edu/noexcuses. Appointments are recommended for women who want to get a mammogram to ensure they will be seen that day.

To be eligible for a mammogram on the van, women should be 40 years and older; not have had a mammogram in the past 12 months; and not be experiencing breast problems.

The mobile mammography program was started through New York State's "Get Screened, No Excuses" Breast Cancer Initiative, and continues with the support of Upstate University Hospital. The program aim is to get rid of obstacles to breast cancer screening for women in New York. The average rate for screening mammography in New York is 81 percent.

The mammography van is equipped with a state-of-the-art 3D digital mammogram system, private exam room, dressing rooms and a waiting room.

Breast cancer is one of the most common cancers in women, effecting one in 8 women. It's also one of the most treatable cancers when detected early. Mammograms x-rays of the breasts are the most effective screening procedure for the early signs of breast cancer. For information, contact: Wendy Hunt at 315-492-3353. ➡
