

Thank You

From the Family of Richard Marston Erwin

I want to thank our family, friends, church family, former co-workers and our community of Richfield Springs for the cards, comforting words, gifts, love and expressions of your care and concern.

I cannot imagine anywhere else in the world where I would get hugs and so much affection as I have received in the post office, at the Price Chopper, at the bank and at the Dollar General than I did here. Everywhere I go in town, I am met with kind gestures of caring.

Marston and I were so fortune to have become a part of this wonderful community.

Gerri Erwin
