

RE-ELECT CHARLES “CHUCK” FURNER

Town of Richfield Councilman
TUESDAY, NOVEMBER 4
6 A.M. – 9 P.M.

Richfield Springs Community Center
6 Ann Street
(Note New Voting Location)

As I run for re-election, I am, once again, asking for your overwhelming vote of confidence this coming Tuesday. Look for ***“Charles Furner”*** on the voting ballot.

I continue to be concerned about the future of the Village of Richfield Springs and the Town of Richfield as are my fellow Town Board members Fred Eckler and Ed Bello.

My Platform is to continue to:

- Be vigilant on what the village taxpayers’ money as well as the town taxpayers’ money is being spent on. The village is part of the town—all voices count on November 4th.
- Remain visible and accessible to village and town taxpayers to better understand their concerns when representing them at Town Board meetings.

My Qualifications:

- A 49-year resident of the Village of Richfield Springs. I am the only candidate for Town Councilman who pays **both** village as well as town taxes.
- Long-time history of community involvement that serves village and town residents—most notably the RS Volunteer Fire Department.
- Successful business owner for over 50 years of Chuck’s Towing and Collision. Town government is a business and should be run as such. I have the know-how.
- A proven networking background and ability to continue to make things happen in our village AND town.

Your voice matters to me. I want to continue to be the voice of village as well as town residents on the Town Board—no matter what the party affiliation is! Please help me accomplish this on November 4th.
