

Thank You

On behalf of my brother Chad Cook and myself, Lisa Smith, we would like to thank everyone that not only helped in the kitchen to make things run smoothly, but for everyone who donated to the free Christmas dinner at the St. Johnsville Community House, that we will continue to have in honor of our mom, Debra Darrow. A very special thanks to the Valley Transportation in St. Johnsville for delivering all of the to-go meals to anyone who needed them delivered...
we greatly appreciated that.

Donations were not asked of, but I'd like to thank the following for their Donations: JoAnn Parker-Darrow, Christina Strain, Bill and Deb Darrow, Kress physical therapy of Little Falls, an anonymous person who we thank greatly, Alicia Cook, Mary Rackmyer, Gault Family Ties from St. Johnsville, Lombardos Pizzeria in St. Johnsville. Bare Arms from Little Falls gave a very generous donation that we greatly appreciated.

Miller-Plonka Funeral Home,
Noelle R. Miller & Rob A. Gridley.
I hope I'm not missing anyone and
apologize if I am.
