

# Trust the Messages 2

*Norwich resident Lu Dick returns with her highly anticipated sequel, sharing thirty years of accumulated spiritual wisdom and remarkable new stories that deepen our understanding of angels, energy healing, and divine guidance.*

***Trust the Messages 2*** explores what the author has learned about the human spirit through decades of experiences—from unexpected encounters with loved ones who have passed, to miraculous healings, to signs so precise they cannot be denied. Whether you've experienced grief, uncertainty, or simply wondered about what lies beyond, ***Trust the Messages 2*** offers comfort, hope, and practical guidance. Believers and nonbelievers find the subject interesting enough to open the pages.
