

Jordanville Public Library Presents:

Alzheimer's Awareness

WEDNESDAY, APRIL 8

at 6:00PM

*30 minute presentation that will be followed
by a question and answer session.*

This Program features information about the Alzheimer's Association, Central New York Chapter, facts and figures, core programs and services, and ways to get involved in the mission.

Awareness presentations help community members understand the disease, what resources are available and where to turn for support.
