

***Remembering You On Your
Birthday April 26, 1989***

Today is such a painful day,
Full of sadness and grief for me
We mourn the moment that you left
And how life used to be
Your birthday was always special
We have many precious memories,
Of cake and celebrations
And seeing you truly happy
So this message comes
Filled with all the love in our hearts
To say you're never, ever forgotten
Even though we are apart
We're thinking of you deep
Because it's your birthday
We wish that we could tell you
***We Love And Miss You More Than
Words Can Ever Say.***
